

# CHRISTIAN BOOTCAMP:

## laying a strong foundation

Want to understand the essentials of the Christian life? Considering baptism or confirmation? Confused about what Christianity teaches?

Ancient Christians took seriously the process of 'catechesis' - detailed instruction on the basics of Christian belief, prayer and living. St John's is continuing this tradition, helping enquirers establish a strong foundation in the essentials of the faith as it has been believed and lived for two thousand years.

Over 9 classes, you will receive in-depth teaching, with space for questions and discussion. Topics include:

- Who (or what) is God?
- How do I read the Bible?
- What are the sacraments?
- How do I pray?
- What do the 10 Commandments mean today?
- What does the Bible teach about marriage, sex and relationships?

### WANT TO KNOW MORE?

Try our first session, to see if this is for you -

**Thursday 12 June, 7.30pm** ('Who or what is God?'), where further information will be provided.
